Next Meeting: March 25, 2021
 Catering by Bryce Events, 1442 Draper Pkwy, Draper
 NATIONAL UTAH TOKEN SOCIETY

President's Message

Hello N.U.T.S. club members!

I hope everyone is doing well. I hope you all are getting out and metal detecting. There's been a lot of good stuff found this year. I'm happy to have heard, seen and witnessed some of these treasures. A lot of these finds are shown on my YouTube Channel, "The Key Date Kid".

We had a great meeting last month with guest speaker Lee McKenzie. He gave a presentation on Hobo Nickels. There are so many different types and they are still being made today. They are incredible pieces of folk art from the past and present.

Our March meeting will be held at Catering By Bryce Events, 1442 Draper Pkwy, Draper. The same place as the last 2 months. I hope to see you there. Last month, everyone was very respectful by wearing their masks and cleaning/sanitizing the areas they were in.

This coming meeting I will be giving a presentation on metal detecting. The different types of detectors, how they operate and tips on using them. We will be having finds of the month. Bring the treasures you have found since our last meeting. Enter them in the contest and the winners will receive SILVER! The raffle will be running too. Enter and you could win a sweet Coin, Token, Silver or GOLD!

Looking forward to the meeting,

N.U.T.S. President
 Casey Dittman
